New or Gently Used Furniture Items

** Donated furniture cannot be overly bulky or heavy. The majority of our families are headed by single mothers, so furniture that is compact and can be easily moved is the goal. Families are able to keep the furniture they receive after they graduate our program.

- Loveseats and small to medium-sized couches (no sleeper sofas, reclining sofas, or sectionals)
- Arm chairs
- Desks (small to medium sized)
- Small to medium-sized kitchen tables (tables that seat over 6 are too large for our housing)
- Coffee tables, end tables, nightstands
- Dressers
- Shelving units
- Bookshelves
- Mattresses, box springs, and bed frames (mattresses must be free from stains, rips, and tears), Queen size and smaller
- Cribs (less than 10 years old), toddler beds/mattresses

** If you are interested in donating your furniture, please send pictures of your items to In-Kind Donation Coordinator, Jenni, by texting (720) 403-0107 or emailing jcornella@partnersinhousing.org. Once approved, Jenni will coordinate a drop off time frame during business hours.
